EARN EVERYWHERE.

POINTS

Simply put, earning **POINTS** is easy. Just present your card for any purchase you make, and you'll earn 5 **POINTS** for every dollar you spend. That means you can earn **POINTS** by the plateful at Wetlands. Or pour on the **POINTS** in The Slough. Or even earn **POINTS** at Northern Quest Resort & Casino and Kalispel Golf & Country Club. And let's not forget the spa, gift shops and box office – plenty of **POINTS** to be earned there, too.

*In the casino, earning **POINTS** works a little differently.*

Insert your card into the card reader while you play, and you'll earn 1 **POINT** for every dollar bet at the machine.

COMP DOLLARS

In unison with your regular **POINTS**, you'll also be earning **COMP DOLLARS** along the way. For every 400 **POINTS** earned, members also earn 1 **COMP DOLLAR**, and the more **COMP DOLLARS** you earn, the closer you get to amazing rewards across all Kalispel-owned properties like hotel rooms, concert tickets, spa treatments and more.

REDEEM EVERYWHERE.

Once you've piled up the **POINTS & COMPS**, it's time to reap the Rewards. Every 400 **POINTS** you earn is equal to \$1 that can be redeemed* for cash, dining, merchandise, hotel stays, resort services and gaming. **COMP DOLLARS** can be redeemed** at the Cashier's Cage for non-gaming experiences, like dining at Wetlands.

In the casino, **POINTS** are easily redeemable for gaming credits at slot machines via the game's service window.

STAY ACTIVE.

Remember, you've got to use your Camas Rewards card at least once every 13 months to keep your membership active at your current tier level. Inactive memberships will be reset to the Camas level and all **POINTS**, **COMP DOLLARS**, and **REWARD PLAY** balances will be removed. (But we're sure that won't be necessary with loyal members like yourself.)

*Excludes alcohol, gratuities. **Excludes gaming, alcohol, gratuities.

SLOTS

There's nothing quite like it—seeing 7s line-up, watching the lights flash, showing everyone in the casino that you've just hit the big one! That's the fun and excitement you came for!

You can play the slots with single or multiple credits. Entering the maximum credit raises the amount of the payoff.

To win, you line up a combination of symbols. Each machine has a pay table that details the payout according to which symbols line up. Some machines offer a payout on multiple lines, directions, and bonus play. Just remember, your payouts are larger when you play the maximum credit!

At management's discretion, payment of a jackpot may be made by check.

VIDEO SLOT INSTRUCTIONS

1. Insert your Camas Rewards card.
2. Insert ticket and/or cash in the machine into the slot marked "Ticket In."
3. To play, choose the number of credits and/or number of pay lines, push the "Spin" button on the screen or the "Start Play" button on the button panel. Credits will be added/deducted on the credit meter.
4. To cash out, push the "Cash Out" button and your ticket will be dispensed from the machine. Verify the accuracy of your slot ticket before leaving the machine. You may use that ticket to play another slot machine or you can convert the ticket into cash at a money center or the cashier's cage.
5. Tickets must be redeemed within 30 days.

EARN POINTS EVERY TIME YOU PLAY BY USING YOUR CAMAS REWARDS CARD.
