FOR THE OUTDOORSY TYPE.

Wildlife

This region is a hunter's paradise with waterfowl and big game like deer, elk, moose, and bear. Plus, there are plenty of opportunities for birdwatching and buffalo counting. Buffalo have long been a part of Kalispel culture, and the Tribe was presented with 12 buffalo to start the herd, which now is maintained at about 100 head roaming over hundreds of acres. Find the pull-off area on LeClerc Rd, just south of the Camas Center, to enjoy a view of the buffalo. Join us each spring for #BabyBuffaloWatch when you can spot newborn calves with your binoculars.

Pend Oreille River Water Trail

There are many access points to the Pend Oreille River Water Trail, the closest being the Cusick Town Park boat launch. Find adventure with the opportunity to canoe, kayak, and paddleboard while enjoying the 70-mile water trail.

Fishing

Fishing is always in season here, and anglers are welcome to cast their lines in the Pend Oreille River and dozens of nearby lakes. Browns Lake is exclusively reserved for fly-fishing, and frozen lakes offer the opportunity for ice-fishing to extend the sport into the winter months. Bait is available for sale at Kalispel Market.

Boating

Launch at the nearby Cusick City Park boat launch to enjoy a cruise along the Pend Oreille River. The boat launch area features a large parking lot, restrooms, basketball court, skate park, and picnic pavilions. If you'd prefer a lake experience, head to the launch at Bead Lake and explore 720 acres of crystal-clear water. Please note, there's a 100-foot no-wake zone along the lakeshore. Parking is limited and parking and usage fees at Bead Lake are applicable. Please ensure all watercraft are clean prior to launching to prevent the spread of invasive species.
